Dated: 11th Sept, 2014

Dear Food Safety Commissioners,

As you are aware, that it been 3 years since the inception of Food Safety and Standards Act, 2006 throughout the country but still there are number of court cases pending throughout the country which were filed under erstwhile PFA Act, 1954. In this regard, we request you to kindly take appropriate steps to disposed off the pending cases at the earliest so that FSS Act, 2006 could be implemented effectively.

With regards, Yours sincerely,

(S. Dave)
