NOTICE

Subject: Proposed notification of Food Import Entry points- Seeking comments from stakeholders - reg.

One of the mandate of the Food Safety and Standards Authority of India (FSSAI) is to regulate import of food and ensure that it is safe and wholesome for human consumption. Accordingly, presently FSSAI had notified Authorised Officers at 416 locations (20 locations manned by FSSAI officials and at 396 locations by Customs Officials) to regulate import of food items.

2. In order to put in place a robust food regulatory framework at the point of entries to prevent the entry of sub-standard/unsafe food into the country, it is proposed to notify 132 Point of Entries as per enclosed list covering seaport, airports, ICD, LCS and SEZ as food import entry points. The list has been compiled based on food imports data of past years received from DGCI&S and CBIC. All efforts have been made to cover the various regions of the country from where major food imports are currently taking place.

3. To facilitate ease of doing business while ensuring the mandate of safe food imports in India, comments/suggestions are invited from all the stakeholders before finalizing the food import entry points w.r.t. notification of Authorised Officers. Your suggestions/comments may be sent to Director (Imports), FSSAI, FDA Bhawan, New Delhi by 15th August, 2019 at e-mail:- import@fssai.gov.in
