

CFTRI signs MoU with KHPT to address nutritional deficiencies

Mysuru, May 12 (UNI) Premier food technology institute of the country, Central Food Technological Research Institute (CFTRI) based in the city and the Karnataka Health Promotion Trust (KHPT) have come together to fight nutritional deficiencies, an official statement said.

The two institutes have signed a memorandum of understanding (MoU) here on the occasion of National Technology Day

on Saturday to work towards addressing malnutrition through fortification.

Under the agreement, CFTRI would partner with KHPT in transfer and implementation of fortification strategies in about 20 wheat milling units.
