

## **FSSAI withdraws recall order for imported dried oregano**

[Our Bureau](#) New Delhi | July 20, 2021

The food safety authority acted on an INFOSAN alert on detection of Salmonella in Sweden in imported dried oregano from Chile

The Food Safety and Standards Authority of India (FSSAI) has withdrawn its earlier order which had flagged safety concerns in dried oregano imported from Chile after receiving an alert from the International Food Safety Authority Network (INFOSAN).
