1.Foreword

1.1 **The Food Safety and Standards Authority of India (FSSAI)** has been established under Food Safety and Standards, 2006 which consolidates various acts & orders that have hitherto handled food related issues in various Ministries and Departments. FSSAI has been created for laying down science based standards for articles of food and to regulate their manufacture, storage, distribution, sale and import to ensure availability of safe and wholesome food for human consumption.

1.2 **Section 44** of the Food Safety and Standards Act, 2006 provides the power to Food Authority to recognize an organization or an agency for carrying out food safety audit and checking compliance with the Food Safety Management Systems. Inspecting and auditing food businesses is a humongous task for FSSAI, hence in order to cultivate and foster the growth of compliance culture FSSAI is enabling compliance through Auditing Agencies. While emphasizing on self-compliance by the food businesses and to address the need to monitor such compliance, FSSAI will be introducing Food Safety Audit of the food business operators through FSSAI Recognized Auditing Agencies in accordance with the **Draft Food Safety and Standards (Food Safety Auditing) Regulations, 2017 (Annexure A)**. Since the regulation is in draft stage and is yet to be notified, the Food Authority has decided to **Provisionally Recognize Auditing Agencies** with FSSAI to create pool of Auditing Agencies that could be used for audit of food businesses.

1.3 **The provisionally recognised auditing agencies will only be engaged by FSSAI to audit some food businesses as decided by the FSSAI from time to time.** Once the Draft Food Safety and Standards (Food Safety Auditing) Regulations, 2017 is vetted and finally notified, the food authority shall from time to time specify the category of food businesses which shall be liable for mandatory audits and the food business operators which are not mandatorily subject to food safety auditing but are desirous of getting audited by the recognised auditing agency, can opt for the same as laid down in section 8(2) of the regulation. **Also, the audits conducted by the provisionally recognized auditing agencies would be deemed to be conducted under the Food Safety and Standards (Food Safety Auditing) Regulations, 2017.**

1.4 In accordance with the Food Safety and Standards (Food Safety Auditing) Regulations, 2017, the provisionally recognised Auditing Agency will be provided with a Provisional Certificate of Recognition with unique identification number.
