

PRESS RELEASE

Dated: 08th august 2022

FSSAI had launched a nation wide campaign on 01.08.2022 to check adulteration in edible oils (single oil as a constituent), trans-fatty acids and sale of Multi Source Edible Oils without proper labelling.

The number of surveillance samples drawn across the country has increased to 2463 while the cumulative quantity of loose edible oils seized across the states has also gone up to o the tune of 20272 liters which values around Rs. 26 lakes.

The samples are being sent to various laboratories across the country for analysis on the same day and in case of any failure reports, such cases shall be followed by Regulatory sampling immediately so that penal action against the FBOs may be initiated as per the provisions of the FSS Act, 2006 and Rules/Regulations made thereunder.

The action will continue across the country till the last day of the campaign which is 14.08.2022.
