

## **PRESS RELEASE**

12.08.2022

The action under the ongoing surveillance drive launched by FSSAI on 01.08.2022 to check adulteration in edible oils (single oil as a constituent), trans-fatty acids and sale of Multi Source Edible Oils without proper labelling is continuing across the country.

The number of surveillance samples drawn across the country has gone up to 3813 while the cumulative quantity of loose edible oils seized across the states has also gone up to o the tune of 22000 liters valuing around 29 lakhs.

The action will continue till last date of the campaign which is 14.08.2022 and results of the samples being sent to accredited laboratories for analysis are expected to start coming in the next week. Any failure of the samples will be immediately followed by drawing of regulatory samples and appropriate action shall be initiated against the violating FBOs as per the provisions of FSS Act 2006 and Rules/Regulations made thereunder.
