

FSSAI-CHIFSS-CSIR-IITR ONLINE WORKSHOP

ON

RISK ASSESSMENT OF NOVEL FOODS: SCIENTIFIC AND REGULATORY FRAMEWORK

24TH FEBRUARY 2021
1500 HRS TO 1700 HRS

KEY HIGHLIGHTS

Panel Discussion
on Risk Assessment
of Novel Foods:
Global Regulatory
Aspects

Understanding
of Novel Foods:
Concepts &
Principles

European
Union (EU)
provisions of
Novel Foods

WHO SHOULD ATTEND?

- 01 Food Processing Industries
- 02 Scientists, Research Professionals
- 03 Academia- Students, Faculties
- 04 Regulatory Agencies

COURSE BENEFITS

To enhance the capability, build on food safety assessments (exposure and risk assessment focus) of Novel Foods globally, with focus on the scientific principles that can help disseminate the regulatory context as well as the Scientific Capability Development.

Understanding the definition and additional specific information in FORM -I.

Create awareness, understanding on the concepts and principles of Risk Assessments of Novel Foods.

FSSAI Remarks

Dr. Rubeena Shaheen

Director- Science & Standards
Food Safety & Standards
Authority of India (FSSAI)

Moderator

Dr. Balkumar Marthi

Chairperson
CHIFSS Scientific Advisory Committee

EXPERTS

Dr. K. Madhavan Nair

(Scientist F, Retd. ICMR-NIN,
Chairperson, Scientific Panel on
Labelling & Claims/Advertisements,
FSSAI; Member, Expert Committee
on Non-Specified Food and
Food Ingredients FSSAI; Member,
Expert Committee on Advertising
& Claims, FSSAI)

Dr. Rafael Perez Berbejal

European Commission
DG SANTE

Dr. Sheelendra Pratap Singh

Senior Scientist
Toxicokinetics Laboratory
Regulatory Toxicology and Food,
Drug & Chemical Toxicology Group
CSIR – IITR, Lucknow

PROPOSED PROGRAM STRUCTURE

Title: Risk Assessment of Novel Foods: Scientific and Regulatory Framework.

DATE: 24TH FEBRUARY 2021

TIME: 1500 HRS TO 1715HRS

15.00 – 15.05 hrs.	Opening Remarks	Prof. S.K Barik Director, CSIR-Indian Institute of Toxicology Research (IITR)/ CSIR-National Botanical Research Institute (NBRI)
15.05 – 15.10 hrs.	FSSAI Remarks	Dr Rubeena Shaheen Director- Science & Standards Food Safety & Standards Authority of India (FSSAI)
15.10 – 15.30 hrs.	Risk Assessment of Novel Foods: Concepts and Principles	Dr. Sheelendra Pratap Singh Senior Scientist, Toxicokinetics Laboratory Regulatory Toxicology and Food, Drug & Chemical Toxicology Group CSIR – IITR, Lucknow
15.30 – 15.55 hrs.	Novel Foods and Ingredients: Definition and Specific Information for Approval (FORM -I)	Dr. K. Madhavan Nair, (Scientist F, Retd. ICMR-NIN, Chairperson, Scientific Panel on Labelling & Claims/Advertisements, FSSAI; Member, Expert Committee on Non-Specified Food and Food Ingredients FSSAI; Member, Expert Committee on Advertising & Claims, FSSAI,
15.55 -16.20 hrs.	The Novel Food Provisions in the EU	Dr. Rafael Perez Berbejal, European Commission DG SANTE
16.20-16.55 hrs.	Panel Discussion Moderator: Dr Balkumar Marthi Chairperson, CHIFSS Scientific Advisory Committee	Dr. K. Madhavan Nair, Dr. Rafael Perez Berbejal Dr Rubeena Shaheen Dr. Sheelendra Pratap Singh
16.55-17.05 hrs.	Q & A Session for Panel Discussion	All
17.05-17.15 hrs.	Concluding Remarks and Vote of Thanks	Dr Balkumar Marthi
